- 

## 3. Internal Assessment System

- Internal assessments will be conducted **once every two months**.
  - An assignment will be issued at the **beginning of the first month** of each cycle.
  - The completed assignment must be submitted **on or before the 15th day of the second month**.
  - Late submissions may be accepted only with valid reasons and approval from the faculty, **subject to penalty or reduced marks**.
  - Internal marks will be based on assignments, class participation, discipline, and periodic evaluations.
-

### **3A. Guidance and Assistance Policy (For Assignments and Projects)**

- As students are in the foundational learning stage (approximately 7 years of age), they are permitted to take **guidance and assistance from their Guru (teacher) and parents/guardians** while completing assignments and project work.
  - However, the **primary work, creative effort, and execution must be done by the student themselves.**
  - The objective is to ensure learning, skill development, and understanding, rather than completion by others.
  - Any work found to be fully completed by parents or external persons without student participation may be considered invalid for evaluation.
- 

### **4. Project Work**

- Project work will be notified **at least 3 weeks in advance** which should be done in the aforementioned topics.
  - Students must submit their projects within the stipulated deadline mentioned in the notification.
  - Projects must be original work. Any form of plagiarism or copying will result in disqualification of the submission.
  - Viva-voce (oral examination) may be conducted as part of project evaluation.
- 

### **5. Examination Regulations**

- Students must appear for all internal and external examinations as per the schedule announced by the institution.
  - Hall tickets/eligibility cards will be issued only to students with required attendance and fee clearance.
  - Malpractice or unfair means during examinations will lead to strict disciplinary action, including cancellation of papers or disqualification.
-

## 6. Code of Conduct

- Students are expected to maintain discipline, respect faculty members, and uphold the dignity of the institution.
  - Use of mobile phones or electronic devices during classes or examinations is strictly prohibited unless permitted for academic purposes.
  - Any form of misconduct, indiscipline, or disruption of classes will be dealt with seriously.
- 

## 7. Promotion and Completion Criteria

- Students must successfully complete both **theory and practical components** to be eligible for promotion to the next level.
  - Passing criteria will be as per institutional or university guidelines (minimum 40% in each component).
  - Completion certificates will be issued only after fulfilling all academic, attendance, and fee requirements.
- 

## 8. Leave Policy

- Leave must be informed in advance or submitted with valid reason post-absence.
  - Long-term absence without approval may lead to cancellation of enrollment.
  - Medical leave must be supported by valid medical certificates if required.
- 

## 9. Fee Regulations

- Fees must be paid within the prescribed deadlines.
  - Late fee payments may attract penalties as per institutional policy.
  - Fees once paid are non-refundable except under special institutional circumstances.
-

## **10. General Guidelines**

- Students are expected to actively participate in all academic, practical, and cultural activities.
  - The institution reserves the right to modify rules, syllabus, and assessment patterns when necessary.
  - Any disputes or issues will be resolved under the jurisdiction of the institution's governing body.
-
